Noah's Ark

Genesis 6-9

Do you know History? (His Story)

In the year 2345 BC, Noah was 600 years old when the flood waters came (Genesis 7:6). When Noah was 500 years old, God instructed him to build an Ark (an Ark is a floating vessel and means box) that was to be 300 cubits long (450 feet) 50 cubits wide (75 feet) and 30 cubits high (45 feet) with three levels (Cubit = 18"-22")

The Ark had the capacity to hold up to 125,000 sheep or 522 railroad freight cars with cargo space totaling 15,000 tons. The total floor space equaling 100,000 sq. ft. Providing enough room for approximately 35,000-50,000 animals.

"The Ark was huge"

According to God's word, Noah was to bring two of every kind of animal on to the Ark, both male and female and seven of some (Genesis 6:19). Only eight people boarded the Ark. Noah, his wife, Noah's three sons (Shem, Ham, and Japeth) and their wives.

How long did the Flood last?

The Flood actually lasted longer than 40 days and 40 nights. According to the Bible the Flood lasted 150 days (Genesis 7:24). Noah and his family continued to live on the Ark until the earth was completely dry, total time spent on the Ark was 371 days.

Were there Dinosaurs on the Ark?

Yes, according to the Bible. God made the Dinosaurs along with Man and the other land animals on day 6 of the creation week (Genesis 1:20-25, 31). According to Genesis 6:19 God instructs Noah to bring 2 of every kind of land animal onto the Ark including Dinosaurs (Dragons).

How old is the Earth?

By Calculating the generations from Adam & Eve to the Birth of Christ there is approximately 4,000 years plus the time from the Birth of Christ to the present. For a total of about 6,000 years.

What is the meaning of the Rainbow?

The rainbow symbolizes the promise that God gave man that He would never again destroy the earth with a flood. (Genesis 9:11-13)

What does Noah's Ark and Jesus Christ have in common?

1. There is only one door to enter the Ark as there is only one way to God, that is through Christ Jesus. "I am the gate for the sheep..." (John 10:7)
2. There was great security for the passengers of the Ark. Likewise, if we are in Christ Jesus we are secure (Romans 8:31).
3. God's way of escape, is the only way and like the Ark Jesus will keep us safe (Romans 8:39).
4. Both are real and historical.
5. Both are God's provision to escape judgment.
6. The pitch that sealed the inside and outside of the Ark represents the Holy Spirit that seals us in Christ Jesus.
